Subject: Regarding collection of UDISE+ data online as on 30-9-2018.
Sir,

In reference to letter D.O. No. 23-3/2018 dated 7th March, 2019 addressed to Principal Secretary Education received from GOI regarding implementation of U-DISE+ in the State. In this connection, it is to inform you that this year the collection of UDISE+ will remain online as per the mandate of MHRD, GOI. In this regard, it has been decided as under:

1. Training will be imparted to all the Schools (Govt. & Private) at Block level in which the DCF(Data Capture Format) will be discussed in details alongwith the online software.
2. GSSS, GHS and Private schools will be given user name and password and they will have to digitise their school data at their own level before 20th June, 2019 in udiseplus.gov.in portal of MHRD GOI. Registered user or school head will be provided OTP on their mobile with user name and password.
3. GMS and GPS will be provided a printed copy of the UDISE+ DCF. They will have to fill the information as on 30-9-2018 and verify the same. Thereafter, the DCF will be collected and entered in the portal at the level of concerned Education Block. Interested GMS and GPS can also be provided user name and password. Once user name and password provided then the entry will be possible by the school level user only.

You are therefore request to provide the accurate data of your school as per the above instructions within 3-4 days of receiving the instructions from the district/block level functionaries.

Yours sincerely,

State Project Director,
Samagra Shiksha
